PSC MODIFIES HEARING SCHEDULE

IN KANSAS CITY POWER & LIGHT ELECTRIC RATE CASE

JEFFERSON CITY—The Missouri Public Service Commission has modified the hearing schedule in an electric rate case filed by Kansas City Power & Light Company (KCPL). Hearings were originally set for September 5 through 8 and September 11 through 15, 2006. Due to a scheduling conflict, hearings are now scheduled for **September 18-22, 2006 and September 25-29, 2006.**

These hearings will be held in Room 310 of the Governor Office Building, 200 Madison Street, in Jefferson City. The Governor Office Building meets accessibility standards required by the Americans with Disabilities Act. If any person needs additional accommodations to participate in these hearings, please call the Public Service Commission's hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 prior to the hearings.

The Commission intends to hold local public hearings to receive customer comment on the KCPL rate request. The Commission will announce the dates, times and locations in a future order.

On February 1, 2006, KCPL filed an electric rate case with the Public Service Commission. According to KCPL's press release, the electric company is seeking to increase annual electric revenues by approximately \$55.8 million (11.5%). According to KCPL, the requested increase would add approximately \$7 to a typical Missouri residential customer's average monthly bill.

KCPL serves approximately 267,000 electric customers in western Missouri.
